Mom, we still didn't get your meal choice for the wedding, what would you like?

I would like a baked potato

There's no baked potato. You can choose ravioli, stuffed portobello or risotto

WHY do you always cater to your father?  
No WONDER you are his favorite child.

YOUR FATHER can have a risotto and I can't have a baked potato???

I'm an only child mom.

I thought you would prefer a stuffed mushroom. I added it to the menu especially for you. Do you want me to call our planner and see if we can change it?

Oh you are a dear. You are always so considerate of your poor mother. A stuffed mushroom sounds great Theopookie

Theodore dear. I do not want to cause you undue stress before your wedding but I CANNOT DEAL with your father right now.

Oh no. What happened?

He was extremely rude to me because of a misunderstanding about the timing of when we were supposed to meet to sign the documents! He called me EVIL!

I'm sorry mom. He shouldn't have called you that. But it sounds like you may have been late?

He keeps using these WEIRD MILITARY TIMES! He was never in the army Theodore. Why does he use confusing numbers?

You're right. If you get confused you can ask me. Can you try to get along during my wedding? Please?

Of course sweetheart. You are such a kind boy. Always helping mommy!

Theodore dear. There was an issue with my flight. I can either take a flight from the city at 8:50 am. It is a 3 hour flight. Or I can take fly the day before to the mainland and take a ferry from there. The 8 am does not allow dogs and this will be an issue with Rufus your brother. Tell me what to do and I will book my tickets. LOL

Ok I'll take a look. Rufus is NOT my brother. And what's so funny about the delay?

There is nothing funny Theodore!

LOL means laughing out

Oh dear. I thought it meant lots of love. I have to apologize to poor Mrs. Jacobs.

The one that just broke her leg? oh mom...
